my own personal recollection. According to my recollection the teachers who taught in the Levels during the thirties were James Logan, Luther Brown and George B. Moffett. The school house was near John Beale's, rather between the Beale place and Joel Hill's. The pupils were the Poages, Jordons, Hills, Blairs and Clarks. The first school I attend ed was at this place in 1838; James Logan teacher,

About 1841 Rev Joseph Brown opened the first classical solvol expole eabin, once used as a school house but abandoned for the new hewed log house near meale's with its stone chimney. This old field school house was built after the primitive style. Built of round unhawed timber, a stick and glay chimney, with fire place nearly the entire breadth of the house, and a window nearly the entire length, lighted with gressed paper, benches made of slabs or purcheons were used for seats. Its site is now oceupied by Holt's store. When abandoned the second time; it was used for a blacksmith shop, and was burned, some think, accident-

ally on purpose. The second session of M. Brown's school was taught in old brick church, and was attend ed by the Beards, from Locust Creek; the Millers, from Millpoint; er as suits the purchaser the Blairs, Hills, Clarks, Burnsides Jordons and Postes, from the nearer homes. Mr Brown and his boarders walked from the Jordon cabin, near Hillsboro, now owned by Mr Bright. In the meantime the Pocahontas Academy was erected by Robert White, late of Lew-About 1849 Rev C.S. M.
